GRAPHIC DESIGN + PHOTOGRAPHY

Thank you so much for considering me for your special moments! I put my heart into what I do and I absolutely love every step of the process. The prices below include my time spent planning, scouting locations, preparing props, shooting + carefully editing each photo, posting sneak peeks online and preparing your final files.

My work is my art. It's a vision. a moment. an emotion... capturing the *real* you.

I specialize in natural light photography. The outdoors is my studio so my sessions are typically held on location. We can discuss the type of location that would best suit your style. If you're looking for a type of session that isn't listed below, just ask! If you have questions or would love to schedule a session, email laura@leleconcepts.com.
